

Child Care Teacher

Job Description

Milwaukee Montessori School, a child-centered, private day school, is seeking an early childhood child care teacher to work Monday thru Friday, from 10:30 a.m. to 6 p.m. in our after-Montessori and after-school childcare programs for students ages 3-5 years of age. This year-round position is a wonderful opportunity for individuals looking for a long-term childcare career as many of our teachers have been employed at MMS for 10+ years.

Responsibilities include organizing and supervising the after morning and afters-school programs. Candidate must be flexible to changing situations, with the ability to multitask. A successful candidate works well in a professional environment, has a flexible schedule, is a team player with good verbal communication skills, and has basic computer skills. Candidate must be a self-starter and maintain excellent attendance. Hourly wage is based on experience and education.
