

Keeping you informed is a top priority at Milwaukee Montessori School. For this reason, we have partnered with Blackboard Connect which allows us to send email, text and phone messages to parents providing important information about school events or emergencies. We use Blackboard Connect to notify you of school delays or cancellations due to inclement weather, as well as remind you about various events. In the event of an emergency at school, you can have peace of mind knowing that you will be informed immediately by phone, text and/or email.

What you need to know about receiving calls sent through BLACKBOARD CONNECT:

- Caller ID will display the school's main number.
- Blackboard Connect will leave a message on any answering machine or voicemail.
- Once the Blackboard Connect message stops playing, you will have the option to replay the message.

What you need to know about receiving text alerts sent through BLACKBOARD CONNECT:

- Caller ID will display an unknown number that doesn't look like a phone number.
- The message will begin with FRM: SMS@blackboard.com
- You are not able to reply to the text; no reply will be received by the school.

The successful delivery of information is dependent upon accurate contact information for each parent/guardian, so please make certain we have your most current phone numbers and email addresses in My BackPack. If any of your information changes, please update My BackPack immediately.

Note that only the home phone number will be called for non-emergency messages. Home, cell and work numbers will be used in emergency or school closing calls and cell phone numbers will be used for text alerts.
